Benefits of FMTC Premium

Publishers will receive your program offers, updates to offers, logo and deal changes, in an automated fashion - quicker

Exposure to potential new partners + additional tools, features, and placement opportunities

Direct access to help, assistance and guidance

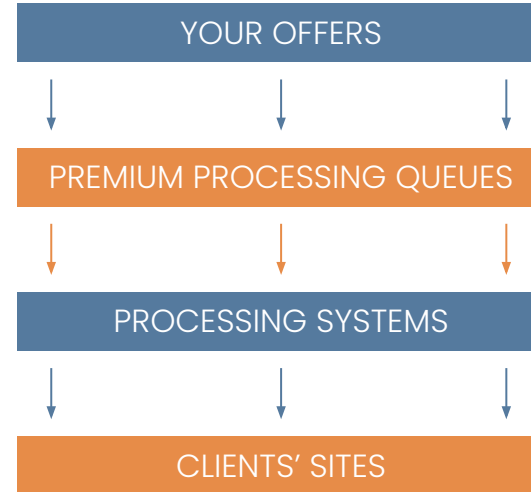

Why FMTC Rocks

-  Easy-to-access for your publishers – we save publishers time and hassle from having to log into networks, collect their offers, and make sure they're working. We do all of that for them
-  Aggregate promotional content – clean, verify & correctly categorize offers
-  Pull offers from 20 different networks & data sources
-  Make promotions available to affiliates & bloggers using our Enterprise Level Datafeeds or Publisher Toolkit
-  In some cases, working with FMTC is the **only** way to get on publishers' sites. Many publishers rely solely on our data for their deal content, so working with us will ensure you are connected with all the publishers in our space
-  Streamlined, Transparent, Accurate

Expedited Deal Processing

Your offers will be our top priority & added to the premium processing queues.

Deals will be expedited through our processing systems & ready to be distributed to the publishers' sites within 1 hour – guaranteed.

Merchants and Agencies **Love FMTC**

FMTC does a great job aggregating many offers and making it seamless for publishers to pick up and promote. On top of that, the FMTC team is great to work with and very responsive when we reach out. *PartnerCentric*

I enthusiastically endorse FMTC & highly recommend for any business aiming to enhance its affiliate marketing strategy. Their premium features have simplified our operations considerably and have significantly broadened our brand outreach. *Luvme Hair*

We are grateful for FMTC and their premium offering as it enables a much simpler setup and ongoing management with many strategic partners. *Intelsio*

It's extremely important that we get our clients the exposure they need to stand out to publishers. FMTC Premium not only provides this exposure, but streamlines it to ensure consistency of message & efficiency, both of which are extremely important. We highly recommend this to any advertiser looking to promote their deals, sales & new products. *eAccountable*

I have worked with FMTC for years and find them to be highly responsive and well worth the investment. Their best-in-class affiliate services are a huge timesaver *AffGeek*

The affiliate team at DMI Partners loves working with FMTC! We always recommend FMTC to our brands as we trust their technology to deliver effectively and efficiently. Furthermore, the FMTC team is a joy to work with and we truly value our partnership! *DMi Partners*
